

**REMARKS**

Applicant is submitting this paper in response to the notice of non-compliance mailed November 2, 2007. The Examiner indicated that the Abstract did not include a sufficient number of amendments to warrant full replacement. Accordingly, Applicant now includes the markings that illustrate amendments to the Abstract.

This response includes only the Abstract section as this is the only corrected section. Amendments to the claims and specification were submitted in the previous submitted responses filed on August 15, 2007, and April 15, 2007. Note that this and the previously filed responses are all responsive to the office action mailed January 16, 2007.

No additional fees are seen to be required. If any additional fees are due, however, the Commissioner is authorized to charge Deposit Account No. 50-1482, in the name of Carlson, Gaskey & Olds, P.C., for any additional fees or credit the account for any overpayment. Therefore, favorable reconsideration and allowance of this application is respectfully requested.

Respectfully Submitted,

**CARLSON, GASKEY & OLDS, P.C.**
